

Privacy Policy of www.eoti.eu

This Application collects some Personal Data from its Users.

Data Controller and Owner

EOTI
eoti@eoti.eu

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Cookie, Usage Data, Email, Company name.

Other Personal Data collected may be described in other sections of this privacy policy or by dedicated explanation text contextually with the Data collection.

The Personal Data may be freely provided by the User, or collected automatically when using this Application. Any use of Cookies - or of other tracking tools - by this Application or by the owners of third party services used by this Application, unless stated otherwise, serves to identify Users and remember their preferences, for the sole purpose of providing the service required by the User.

Failure to provide certain Personal Data may make it impossible for this Application to provide its services.

The User assumes responsibility for the Personal Data of third parties published or shared through this Application and declares to have the right to communicate or broadcast them, thus relieving the Data Controller of all responsibility.

Comments

When visitors leave comments on the site we collect the data shown in the comments form, and also the visitor's IP address and browser user agent string to help spam detection.

An anonymized string created from your email address (also called a hash) may be provided to the Gravatar service to see if you are using it. The Gravatar service privacy policy is available here: <https://automattic.com/privacy/>. After approval of your comment, your profile picture is visible to the public in the context of your comment.

Media

If you upload images to the website, you should avoid uploading images with embedded location data (EXIF GPS) included. Visitors to the website can download and extract any location data from images on the website.

Contact form

By filling in the contact form with their Data, the Users authorizes this Application to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header. Personal Data collected: Cookie, Country, Email, First Name, Last Name, Phone number, Profession, Province, State, Usage Data and ZIP/Postal code.

Registration and authentication

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services.

Depending on what is described below, third parties may provide registration and authentication services. In this case, this Application will be able to access some Data, stored by these third party services, for registration or identification purposes.

The User registers by filling out the registration form and providing the Personal Data directly to this Application.

Phone contact

Users that provided their phone number might be contacted for commercial or promotional purposes related to this Application, as well as for fulfilling support requests.

Personal Data collected: Phone number.

Cookies

If you leave a comment on our site you may opt-in to saving your name, email address and website in cookies. These are for your convenience so that you do not have to fill in your details again when you leave another comment. These cookies will last for one year.

If you have an account and you log in to this site, we will set a temporary cookie to determine if your browser accepts cookies. This cookie contains no personal data and is discarded when you close your browser.

When you log in, we will also set up several cookies to save your login information and your screen display choices. Login cookies last for two days, and screen options cookies last for a year. If you select "Remember Me", your login will persist for two weeks. If you log out of your account, the login cookies will be removed.

If you edit or publish an article, an additional cookie will be saved in your browser. This cookie includes no personal data and simply indicates the post ID of the article you just edited. It expires after 1 day.

Embedded content from other websites

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that

website.

Mode and place of processing the Data

Method of processing

The Data Controller processes the Data of Users in proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification or unauthorized destruction of the Data.

Access to the Data may be available to Data Processors, if appointed, as well as employees involved with the processing. Access to Data may be also available to external parties providing services to the Data Controller such as third party technical service providers, mail carriers, hosting providers, IT companies, communication agencies. The updated list of these parties may be requested from the Data Controller at any time.

Place

The Data is processed at the Data Controller headquarters, unless stated otherwise in the rest of this document.

Conservation Time

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request the Data Controller for their suspension or removal.

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically instead of holding them in a moderation queue.

For users that register on our website (if any), we also store the personal information they provide in their user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information.

Further information about Personal Data

Selling goods and services online

The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery.

The Personal Data collected to complete the payment may concern the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by this Application depends on the payment system used.

Age eligibility and children privacy

Users declare to be adult according to their applicable legislation. Under no circumstance persons under the age of 13 may use this Application.

Legal Action

The User's Personal Data may be used for legal purposes by the Data Controller, in Court or in the stages leading to possible legal action arising from improper use of this Application or the related services.

The rights of Users

If you have an account on this site, or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time at its contact information.
